### Short description:

C-FMHR, a privately operated Pilatus PC-24 aircraft registered to the Marc Anthony Group Inc, was conducting a flight from Vancouver International Airport (CYVR), BC to Kelowna International Airport (CYLW), BC. Prior to levelling off at cruise altitude, the crew advised Vancouver Center of a flight control issue. They declared an emergency and requested ARFF to be ready in CYLW. The aircraft landed without further incident.

### Remarks:

The Transportation Safety Board of Canada (TSB - <https://www.tsb.gc.ca>) opens an investigation.
