

Notification of Cessation of an Investigation

This is to inform you of the cessation of the following investigation:

Place, date and time: 20 NM east of VOR/DME TRA, 24 October 2005, approximately 09:40 UTC

Aircraft:

Registration Mark: D-ACJG
Type: Canadair CL-600-2B19
Operator: Lufthansa CityLine GmbH
Owner: Lufthansa CityLine GmbH

Pilot: 2
Cabin crew: 2
Passengers: 30

Flight:

Flight rules: IFR
Type of operation: Scheduled flight
Point of departure: Munich (EDDM), 09:15 UTC
Point of landing: Zurich (LSZH)

Damage:

Crew: None
Passengers: None
Thirds: None
Aircraft: None
Ground: None

Short description of the incident: Strange smell in the cockpit during cruise followed by an emergency diversion to Zurich.

Reason for the cessation: A filter in the left air-conditioning pack was found to be the source for the strange smell. As the risk of a dangerous development of the situation could be excluded and no smoke was perceptible during the flight, the criterion for a severe incident does not exist. The crew reacted correctly and according to the appropriate checklist.
